# Built-In Single Ovens

The Creda Collection offers a range of ovens, hobs and hoods designed for the British cook with styles to suit every type of kitchen.

The Collection gives a complete range of ovens and hobs across all fuel types. Our hobs offer you a choice of gas, sealed plate and a new range of ceramic hobs with a choice of touch control technology, halogen or radiant cooking zones. Our range of ovens cover options from a single conventional oven up to an 8 programme multifunction double oven with catalytic liners for an easy clean.

The Creda Collection combines the Britishness and tradition of the Creda brand with the strengths of the UK's No. 1 and most trusted brand, Hotpoint.
